

Fort Wayne, Indiana's IT Experts

Tier 3 Technology Solutions has been serving the Fort Wayne area since 2002, providing technical support, computer services, and consulting to small and medium-sized businesses. It's always been our goal to provide enterprise-level IT practices and solutions to the small business sector, with small business prices. Our experience has allowed us to build and develop the infrastructure needed to keep our prices affordable and our clients up and running.

We partner with many types of businesses in the area, and strive to eliminate IT issues before they cause expensive downtime, so you can continue to drive your business forward. Our dedicated staff loves seeing our clients succeed. Your success is our success, and as you grow, we grow.

Tier 3 Technology Solutions's Managed Service Plan ensures:

- **Proactive Care** - Dedication to the prevention of data loss and other business technology disasters before they happen
- **Round the Clock Maintenance** - 24/7 access to remote & on-site server remediation services at a flat monthly rate
- **Live Help Desk Support** - Fast and reliable IT solutions provided 24x7x365 for your business users

Give those hours wasted on IT problems back to your employees and create a lasting impression on your clients through superior technology services and customer care.
